

## THE CHAKRAS, ALCHEMICAL STAGES AND HGA INVOCATIONS

CHAKRA- BODY CENTER	ALCHEMICAL STAGE	INVOCATION OF THE HGA
<p>THE BASE CENTER</p> <p>Traditional Name and Attributes: Muldahara Chakra: This center is all about being grounded or 'earthed', it relates to physical needs of the flesh, biological functions and physical pains and comforts. Physical Location: The Perineum, Traditional Element: Earth</p>	<p>CALCINATION</p> <p><b>The burning of the prima materia into ash.</b> Sudden distancing from Maya, Samsara, our worldly life- Malkuth. We need to break our attachments to the worldly life. May be traumatic or self induced. Beginning of Solve.</p>	<p><i>(Reevaluation of the World)</i> GUARDIAN ANGEL I AM OF THIS WORLD AND SO ONE WITH MY PHYSICAL BODY, THROUGH THE DIVINE FIRE I DESTROY LIMITS. I RELEASE ALL WORLDLY RESTRICTIONS. BY LETTING GO I WAKE TO THE DIVINE. AS I RELEASE ALL THAT IT IS NOT DIVINE. MY WORLD BECOMES A TEMPLE. EVERYTHING I PARTAKE OF IS FULL OF THE FIRE OF DIVINE LOVE. MAY MY FALSE SELVES BURN AWAY. WE ARE ONE IN THE WORLD.</p>
<p>THE GENITAL CENTER</p> <p>Traditional Name and Attributes: Svadhishtana Chakra: This center relates to sexuality in all its aspects, procreation and fantasies/dreams Traditional Element: Water</p>	<p>DISSOLUTION</p> <p><b>The dissolution of the ash/chemicals is dissolved in water.</b> We now dive into waters of the unconscious. Detaching from the World we also get separation for the ego-driven paradigm- we can focus on the Spiritual and unearth hidden + and – that we work with to progress.</p>	<p><i>(Dissolving Mundane Attachments)</i> GUARDIAN ANGEL WITHIN THE DEEP WATERS OF MY BEING I DISSOLVE. I EMBRACING MY SEXUAL BEING I EMBODY ALL THAT IS HIDDEN WITHIN. I RESIDE WITHIN THE DEPTH OF REALITY, IMMERSSED IN DIVINE LOVE. ACCEPTING DIVINE LOVE I FEEL THE CONNECTIONS OF LIFE THROUGH SACRED WATERS. WE ARE ONE IN THE WATERS.</p>
<p>THE NAVEL CENTER</p> <p>Traditional Name and Attributes: Manipura Chakra This center relates to power, authority, the acting on your Will, fame and longevity. It is the 'furnace' or cauldron of 'Chi' or bioelectrical energy as well. Traditional Element: Fire</p>	<p>SEPARATION</p> <p><b>Here we separate and filter the results of dissolution.</b> By focusing on the spiritual and having unearthed unconscious aspects that we discarded or suppressed, we can chose those deep aspects that will help us find the Stone of the Wise- spirit.</p>	<p><i>(Sorting divine from mundane)</i> GUARDIAN ANGEL I AM FILLED WITH THE DIVINE ENERGY OF AWARENESS. I SEPARATE GOLD FROM LEAD. I DIVIDE IMPURE FROM THE PURE AND DIVINITY FROM DROSS. MY KNOWING FOCUSES THE WILL OF THE DIVINE. EMPOWERED BY AWARENESS I CHOOSE WHAT FOSTERS DIVINE LOVE. I DIVIDE WITH LOVE FOR THE CHANCE OF UNION.THAT I MAY BECOME ONE WITH YOU. WE BECOME OF ONE WILL.</p>

<p>THE HEART CENTER</p> <p>Traditional Name and Attributes: Anahata Chakra: This center relates to Love, Devotion, Sharing with Others and Compassion. Traditional Element: Air</p>	<p>CONJUNCTION</p> <p><b>Here, we bring all that is real and true together, all elements worthy from separation are united.</b> Thus we re-integrate. Unconscious and Conscious come together. The Self begins to emerge.</p>	<p><i>(New integration-connecting to the HGA)</i></p> <p>GUARDIAN ANGEL TOGETHER WE ARE ONE HEART! I UNITE ALL THAT IS RIGHT AND TRUE. I RECEIVE AND GIVE DIVINE LOVE TO ALL. I MERGE ALL THAT IS WILL WITH LOVE. I BEGIN TO AWAKEN TO STAR CONSCIOUSNESS.MY WORLD IS UNIFIED WITH ALL THAT IS DIVINE. THE WORLD ABOUT ME UNITED WITHIN AND WITHOUT, REFLECTING INNER RADIANCE. SO I AM ONE WITH YOU. WE BREATHE AS ONE.</p>
<p>THE THROAT CENTER</p> <p>Traditional Name and Attributes: Vishuddha Chakra: This center relates to real Knowledge, Speech and the Realization of your Will Traditional Element: Spirit</p>	<p>FERMENTATION</p> <p><b>Various living organisms are integrated with the material to foster its breakdown and transformation.</b> Fermentation about testing and refining this birthing, integrated self. Life gives us suffering, trials and tribulations, and this refines our Self and helps us lose or slough dross.</p>	<p><i>(Releasing to the HGA- Shadow integration)</i></p> <p>GUARDIAN ANGEL TOGETHER WE ARE EVERY EXPERIENCE AND EVERY TASK. EVERY TRIAL AND SORROW LEADS ME TO THE DIVINE. UNDERSTANDING IMBALANCE AND ERROR, MY PATH EVOLVES. MY 'WORD' IS REVEALED. THE ESSENCE OF TRUTH IS NOW MY VIBRATION. THROUGH MY EMERGING SPIRIT I WE BECOME ONE SPIRIT. WE BECOME ONE VIBRATION.</p>
<p>THE BROW CENTER</p> <p>Traditional Name and Attributes: Ajna Chakra or 3rd Eye: This center relates to Awareness and Consciousness, Self-realization and Enlightenment it is very much the home of the Guardian Angel and is the focal point of all spiritual exercises. Traditional Element: All Elements United - The One.</p>	<p>DISTILLATION</p> <p><b>Distillation refines and concentrated the solution, it is heated and condensed to purify the substance.</b> We are entering the end result of all our spiritual work, polishing the diamond in a sense. We purify and focus on our Self to banish destructive forces of ego. We are concentrating on birthing a True Self, one that transcends the collective and individual</p>	<p><i>(Union beginning- waking up)</i></p> <p>GUARDIAN ANGEL WE ARE PURE CONSCIOUSNESS. THE EYE OF AWARENESS OPENS. BEYOND THOUGHT, BEYOND INNER AND OUTER; ALL IS ONE. FOREVER UNITED, CLEAR AND OPEN. ALL IS DIVINE LOVE. ABIDING IN SUCH UNITY, ALL IS CENTERED, ALL IS AWARE. ALL- ONE WISDOM.</p>

<p>THE ABSOLUTE (CROWN) CENTER</p> <p>Traditional Name and Attributes: Sahasrara Chakra (1000 petal lotus)  This center relates to The ABSOLUTE or God, sometimes called OM or TAO. This is the point where the soul enters and leaves the body, it is the connection between the realm of the Guardian Angel, ie: 'Heaven' and YOU. All transcendental experiences and the integration of spirit/matter happen here. This is the Place Beyond Conception.  Traditional Element: Beyond All Elements</p>	<p>COAGULATION</p> <p><b>The substance is crystalized into a miraculous state: The Magnum Opus, Alchemical Gold, Stone of the Wise!</b>  That which is above and below, within and without, are united ; the union of dualities. It is at this stage where the Self has become fully aware. We achieve Star consciousness.</p>	<p><i>(GNOSIS- UNION OM)</i></p> <p>GUARDIAN ANGEL  BEYOND ALL  A STAR, I  I REMEMBER -I AM DIVINE  BEYOND ALL;THE LIGHT BEYOND THE LIGHT.  ITHE SUN BEYOND THE SUN.  ALL IS - I AM - LOVE.  ONE IN INFINITY.  OM</p>
